677 Ala Moana

OFFICE DOWNTOWN | 272,200 SF | HONOLULU HAWAII

**The 677 Ala Moana Building
has been a landmark among
Honolulu's office buildings for
decades.**

Located on the main thoroughfare bridging the financial district of Honolulu and the worldclass resort and retail destination of Waikiki, 677 Ala Moana is a highly visible property. Beautiful and unobstructed mountain and ocean views are available in upper-floor tenant spaces, which are enhanced by high ceilings with floor-to-ceiling glass windows. Our ongoing modernization and upgrade programs have recently included renovation of lobby areas, new air-conditioning chillers, state-of-the-art energy management system, elevator enhancements and a fire-and life-safety system. The building is at the center of a dynamic master redevelopment plan of the Kaka'ako, a special design district created by the State of Hawaii.
